WORK EXPERIENCE

Self-employed

January 2017 – Present

Portrait Painter

Cape Town, SA

- Planning, sketching, and photographing subjects. These artworks vary in subject matter, including but not limited to neoclassical individual or family portraits, and dramatic works.
- Completing commissioned oil paintings for customers, each of which varying in size, ranging from canvases to paper.

Old Mutual - Customer Retention Unit

June 2014 – June 2017

Retention Consultant

Cape Town, SA

- Retaining customers by negotiating payment arrangements on behalf of the business.
- Planning and budgeting alongside customers to ensure that all financial commitments are met.
- Training new consultants on system navigation, insurance policies, and general coaching, particularly in de-escalation when dealing with irate customers.

BT Games

March 2014 – May 2014

Sales Representative

Cape Town, SA

- Selling video games, consoles, and accessories to customers, while occasionally providing assistance in product selection for customers' friends or relatives.
- Organizing and displaying inventory.

PROJECTS

Electronic Medical Records System

Currently in development

- **Technologies:** React, Next.js, Typescript, Tailwind, MongoDB, bcrypt.js
- Database, with user-friendly interface, allowing medical practitioners within developing countries to access and add to securely stored patient records.

[Accounts Manager](#)

- **Technologies:** Python, SQLite3, Tkinter (Custom Tkinter)
- Accounts management desktop app intended to be run from encrypted storage devices. The app enables users to store and easily access personal account details, including passwords

[Psychology database](#)

- **Technologies:** React, Next.js, Typescript, Tailwind
- A collection of definitions, questions, and answers from the 13th edition of the Psychology

bachelor's textbook. It was developed to assist German and English speaking students new to the field, enabling them to study anywhere at their convenience.
